It is desirable to associate them with special prizes as the judging is not an ideal test of the better class but it will also serve as a means of arousing their interest in the latest improvements & there is not sufficient public spirit for them to undertake the journey at their own cost the payment of travelling expenses which should not exceed a single return second class railway fare & a halt charge of 1 Rupee a day may be sanctioned

If the daily allce & cover hotel charges are paid I think the cost would come up to much more than 40 Rs. To

Offg: Secretary to the Government of
His Highness the Maharaja of Mysore,
~~General and Revenue Departments, Bangalore.~~

SIR,

1. I have the honor to state that out of the judges for the Dasara Exhibition (about 100 in number) sixteen are non-official gentlemen from Bangalore or the Districts, mostly merchants or Managers of Industrial concerns.

2. It is desirable and has been our aim to encourage non-official co-operation for judging. Some of the elected gentlemen are specially required for their technical knowledge. Several have their willingness to come to Mysore on condition that their Railway charges and hotel expenses are paid. I think the request is quite fair
